

# Girl Scouts Heart of Central California Alumni Association

## Statement of Purpose

The Girl Scouts Heart of Central California Alumni Association supports the goals and programs of WAGGGS, GSUSA and our council through the sharing of time, treasures and talents. The Association invites to membership all adults who share this commitment and agree to follow the Girl Scout Promise and Law.

## History and Activities

The Association grew out of the Trefoil Guild and was formed in 1998 with the intention of providing an organization for adult women and men who were or would like to be Girl Scouts. Members may be involved at any level of activity.

The structure of the organization is based on the patrol system that has been a mainstay of the Girl Scout movement since its founding by Juliette Gordon Low in 1912. Patrols are based on interests and may be on-going, such as the History or Song Patrol, or temporary, like the patrols that traveled to Juliette's birthplace in Savannah, Our Chalet and Our Cabana. Each patrol elects a Leader who facilitates the group's activities and presents a report at the quarterly Court of Honor meetings and bi-annual general meetings. The Court of Honor includes the Coordinator, Secretary, Treasurer, Membership Chair, Low Down Editor and Patrol Leaders.

The Association has shared time, treasures and talents with sizeable donations to council projects including Under Construction, the Council Museum, Camperships, and financial aid for events and training. Service projects include handmade blankets donated to "Warm Up the Convention City", re-covering cushions at Fleming Lodge, making potholders and Wapi's for the WAGGGS Solar Cooking Project, and teaching traditional Girl Scout songs to CIT's at camp.
