

•Air Aware for Girl Scout Cadettes• July 6 – July 9 • Davis

Calling all Girl Scout Cadettes—we have a special day camp just for you! Explore what it's like to be a college student at UC Davis as you work with the Air Quality research staff and graduate students to earn the *Breathe Journey*. This Girl Scout Cadettes-only camp has sessions and activities that will help you live greener such as air monitoring, carbon footprints, alternative sources of energy, and other ways to “clear the air.” (Girls interested in earning the Girl Scout Silver Award will have completed *ALL* the pre-requisites for the award by the end of this camp.) For a glimpse of college life, girls will spend one night in the UC Davis dorms and ride around campus on a rented bike.

Dates: Tuesday July 6, 2010 – Friday July 9, 2010

Time: 9:00 am – 5:00 pm; overnight Tuesday to 5:00 pm Wednesday.

Location: UC Davis Campus

Ages: Girls entering grades 6 – 8

Fee: \$170

To Register: Mail completed registration packet by JUNE 1, 2010 to:
Erin Packard 6601 Elvas Ave Sacramento CA 95819
Please make checks payable to GSHCC.
