

•Japanese Experience•

June 8 – 12 • Rio Linda

Have you ever wondered about the Far East? Take an exciting journey with us as we experience Japan at day camp this summer. Learn about the Japanese culture through songs, games, and daily life. Make Japanese crafts and learn about ancient Japanese traditions. Take on the challenge of eating with chopsticks, sipping tea, and eating sushi! Learn the art of origami, make a temari ball, enjoy kumihimo (weaving), and write your name in kanji. Join the Children's Day celebration by displaying dolls you make at camp and flying fish kites. End the week by spending the night under the stars with your Japanese lantern by your side. It will be a week to remember. See you there- Konichiwa!
