

# •uniquely ME! For Girl Scouts•

## July 12 - 15 • Modesto

You are unique! You're special in every way: how you look, how you think, how you feel. Isn't this amazing? There is no other girl in the world that is exactly like you. With this camp, you can have fun getting to know what makes you unique. The more you know about yourself, the better decisions you'll make and the better you'll be prepared for this world. We will spend the week talking with experts, day trips, dancing, games, and much more. We would love for you to join us.
