

GSHCC partners with Blue Star Moms, local food banks, blood drives, and other local organizations for Cookie Share donations. Blue Star Moms sends donations provided by GSHCC to active duty military.

Cookie Share donations are “virtual” and will be given directly to organizations with which GSHCC partners with. They will not be added or taken out of a troop’s physical inventory.

GSHCC cannot issue an acknowledgement letter for customers making Cookie Share donations. The customer is purchasing cookies from GSHCC, and then donating the cookies to other organizations. Since the donation is not being made to GSHCC, we cannot issue a donation letter.

# Curious About Cookie Share?

Troops and girls can set aside physical inventory if they wish to coordinate donations to community organizations on their own. Troops and girls are responsible for identifying the organization they will be donating to and for distribution. These types of donations are not entered as Cookie Share and do not count towards the Cookie Share rewards.
