

Setting Up Girl Accounts

Once a girl has received her Smart Cookies Registration email, families will need to click the link in email to set up accounts. NEW FEATURE (FOR COUNCILS THAT HAVE OPTED IN): Girls can add the option of placing a girl delivered order, paid by credit card, via the social media link. All girl delivery orders placed via the social media link require parent approval. You will be asked to select YES or NO to allow girl delivered orders via the social media link during the registration process. You can change this option by editing your selection in your Girl Scout's Smart Cookies account. Please visit ABC Baker's YouTube channel for video demos of Smart Cookies.
