

Purpose: To involve adult family members with the Girl Scout troop by including them in the different aspects of troop activities. A family’s awareness of Girl Scout activities and volunteer opportunities will provide support to the Girl Scout troop.

Family Factor Requirements: A girl must recruit at least one adult family member or adult guardian to complete **ONE** item from area A or **FOUR** different items from area B during the course of a membership year (October 1 - September 30).

Check off the requirements completed:

Area A – One item is required from this area to complete the patch requirements.

Ask your troop leader for more information regarding these positions and what is needed to help her Girl Scout troop be successful. Recruit an adult family member to:

- Serve as troop leader/co-leader/assistant leader
- Serve as a troop cookie or fall product sales manager
- Serve as the troop first aid certified adult
- Serve as the troop camp certified adult
- Serve on the troop committee in another position that the leader determines

OR

Area B – Four items are required from this area to complete the patch requirements.

Have an adult family member:

- Provide transportation for troop outing
- Attend troop meeting and assist with at least one troop project or special activity
- Locate one or more resource people for the troop program
- Organize a community service project for the troop
- Help with troop summer program
- Accompany the troop on an outdoor activity
- Share a skill, talent, or hobby with the troop
- Take a council sponsored training course to aid troop with weekly program
- Be a Day Camp unit leader
- Have family discussion on the Promise and Law and, with the girl, tell the troop one aspect that was important to them
- Learn about Girl Scouts and, with the girl, teach a song, game, or other Girl Scout activity to the troop
- Participate in the Families Helping Girls program

The troop purchases the Family Factor Patch to wear on the back of the girl’s vest or sash.
