Grade Level Workshops

Learn more about a specific age level and girl-led leadership with other troop leaders. Topics include age-level characteristics, the experiential learning cycle and group facilitation. We will explore Girl Scout curriculum, and share ideas on how to adapt to the interests and abilities of your troop. Learn about the specific awards for the age level you are working with while networking with other Girl Scout leaders. This class is great for leaders who are bridging or who have recently bridged. Course Fee: \$5
