 - Additional info about badge and journey work offered by community partners, that troops schedule independently.
- Get Local <https://www.girlscoutshcc.org/en/activities/local.html>
 - A space for community service opportunities and for Service Units to advertise upcoming events. Use this link (<https://www.girlscoutshcc.org/en/our-council/forms-and-documents/get-local-request.html>) to post your spring and summer events today!
- Approved Outfitters <https://www.girlscoutshcc.org/en/activities/approved-outfitter.html>
 - Looking for adventure, but stuck on finding approved vendors? Check out our new Approved Outfitters page: a list of organizations already approved by GSHCC for Girl Scout activities. Know an organization you'd like to see on this list? Contact Customer Care (800.322.4475) to tell us about them! As you plan outings for Girl Scouts, remember to review Safety Activity Checkpoints (https://www.girlscoutshcc.org/content/dam/girlscouts-girlscoutshcc/documents/Safety_Activity_Checkpoints.pdf) for best practices.

The Activities List and Activities Calendar are both tools for you to access GSHCC activities, trainings, camps and more. Activities listed in this calendar are at-a-glance, and will be listed for registration on a rolling basis, see each month for specific details.

TIPS AND TRICKS

First time using the new activities website? No problem; here are some tips and tricks to help you get started.

Where do I go to register for upcoming activities?

All GSHCC Council events require online registration, and can be found here:
<https://www.girlscoutshcc.org/en/activities/activities-list.html>

Can I use troop treasure for GSHCC activities?

Yes! To use troop treasure for activities, customer care will have to process the payment manually. Simply call customer care to register and make the payment over the phone 800.322.4475.

How do I get confirmation of my registered activities?

Upon completion of the registration process, you will see a detailed receipt on your screen. This is your activity registration confirmation; if you do not automatically see a detailed receipt on your screen, you have not completed the registration process.

To view events you are registered for, log in to your MyGS account and click on the MyActivities tab. Please note, that if the troop leader registers for the activity, only the troop leader will see the confirmed registration in their MyGS. If families register their Girl Scout, only they will see the confirmed registration in their MyGS.

How will I receive event information letters?

Information letters will be emailed to the individual who registered two weeks before the event. At that time, the information letter is also available in the event profile in your MyGS account. Log in to your MyGS account, click on the information icon next to the event, and you will see a link to the information letter and any other event information.

Is financial assistance available for GSHCC activities?

Yes! Financial assistance is available to those with financial hardship. To request financial assistance, please proceed to register for your desired activities, and click the “Financial Assistance” box at the time of check out. Next, you will receive an email with the link to the financial assistance request form.

Note: Only individuals can request financial assistance, troops cannot request financial assistance on behalf of their members.

What happens if I need to cancel my registration?

Can't make it? No problem. Submit an email to customer care to let them know, and a refund will be processed, within the policy parameters. For full cancellation and refund details, visit our website: <https://www.girlscoutshcc.org/en/activities/activities-list.html>
