

## Create Your Avatar

M2 System has a new feature where each girl, troop fall product manager and service unit fall product manager can add and edit their own custom avatar!

1. Log in to M2 system (gsnutsandmags.com)
2. There are two ways to create or edit your avatar.
  - a. Click on your role in the top right hand corner of the window and select edit avatar OR
  - b. Click on edit avatar on your dashboard

3. Click on create your avatar or update your avatar.

4. There are over 3,000 different combinations for your avatar. Carefully design your avatar to match you.

**Update your Avatar**
Show Quick Dashboard Links ▾

Create an Avatar that looks just like you! Use the arrows to see all of the choices for creating your avatar.

The tools are based off of the gender that was selected when your account was created. If the gender is incorrect, please update it before creating your Avatar. Troop leaders will need to contact their council administrator to perform this update.
