

The 2021 Girl Scout Fall Product Program started just five days ago, and we are already off to a great start, with 270 girls having already earned the 2021 patch for sending 18+ emails.

M2 System

The M2 system makes participation as easy as can be! By now, you should have received a launch email to access the M2 platform. If you haven't received it yet, please use the "Forgot Password" link from the M2 landing page. Still need help? Contact [M2 customer care](#).

[ACCESS M2](#)

Encourage girls to upload a video and create an avatar once they register online - they can earn patches for doing this! Need help with the system? Find Just-in-Time trainings and videos on our website.

- **Online magazine orders** - Customers order and pay online. Magazines ship free within 6-8 weeks.

Rewards & Experiences

STEM Snow Experience

STEM

Girls who earn and select the Snow Experience will enjoy a variety of different snow themed activities. Girls will learn the science of snow and about the fall product mascot, penguins. There will be snow making and igloo building. Each girl will take home a small tube of snow, so the fun can continue after the event.

Winter Weekend at Camp Fleming

outdoors

GSHCC is working to confirm the safety of Camp Fleming, which was impacted by the Caldor Fire. GSHCC has confirmed the lodge, campground restrooms, and other structures are still standing. If Camp Fleming is not ready for campers, this event will take place at an alternate location. We are grateful to the fire crew, and our hearts go out to the families impacted by this and other fires in the state.

Additional Reward Opportunity!

All girls who have a 2022 membership by September 30 and participate in Fall Product by October 17 will be entered into a drawing to earn a giant penguin!
