

GSHCC Troop Renewal Rewards 2025

Girl Scouts Heart of Central California (GSHCC) is committed to providing its members with exceptional experiences that promote meaningful connections and lasting memories. GSHCC seeks to engage girls in activities that demonstrate positive outcomes and provide them with continued rewarding experiences. GSHCC Troop Renewal Descriptions

Track your progress by sharing your traditions, special events, community service, outdoor, and badges/awards by capturing a photo of the troop's activity and uploading it to gsLearn under 634: Troop Experience. Share the universal QR code with your troop's number when recruiting future girl and troop leaders. The form linked to the QR code must be completed (using your troop number as the referring troop number) prior to completing membership registration to track recruitment efforts for your troop.

Traditions

Take part in one Girl Scout tradition activity at every meeting

For example, sing Girl Scout songs, perform a flag ceremony, do a friendship circle, or celebrate Girl Scout special days like Girl Scouts birthday (March 12), troop investiture, rededication, and bridging ceremonies. Wearing your uniform is a tradition too.

Special Events

Take part in one special event this membership year

The troop could attend a service unit event, a GSHCC event, or go on field trips, such as visiting the fire department, the farmer's market, museum, pumpkin patches, or animal shelter, just to name a few ideas.

Community Service

Complete one Community Service project

Find something that the troop cares about helping. Identify a community need, like donating items to the local food bank or animal shelter. Is your service unit participating in filling stockings or shoeboxes during holidays or collecting cans for food drives? These are great ways to support your local community.

Outdoor

Complete one outdoor activity

There is no limit if you want to do more! Take a trip to a local park, have a cookout, or go camping. Don't forget to check the Safety Activity Checkpoints before completing.

Product Program

Participate in the Girl Scout Cookie Program to earn troop proceeds and a girl reward

The troop can participate in pre-orders and booth sales.

Badges & Awards

Earn three awards

The earned awards could be badges, Journeys, awards, or one of each. Find out what your troop is interested in and look in the Volunteer Toolkit for requirements.
