How the GSHCC Cookie Donation Program Works

GSHCC partners with Blue Star Mothers, local food banks and blood drives for Cookie Share donations. Cookie Share is a great way for girls, troops and customers to give back to their local communities. Blue Star Moms sends donations provided by GSHCC to active duty military. GSHCC also coordinates with other community non-profits to distribute Cookie Share cookies. Girls who sell 15 Cookie Share packages will earn a Cookie Share patch. Girls who sell 25 Cookie Share packages will earn a clip-on plush.

Please note: Cookie Share donations are "virtual". This means troops will not receive these cookies with their Initial Order and packages are not set aside from a troop's inventory. GSHCC handles all distribution of donation cookies.

### During the Initial Order period

Girls can take Cookie Share donations on their order card or online from their Smart Cookies dashboard. Money should be collected for these donations at the time of order; money for all other cookie purchases is collected upon cookie delivery. Girls should use the white column labeled "Donate Cookie Packages". These cookies will be entered in each girl's Initial Order but will not round to full cases. Cookies will not be distributed with your initial cookie delivery.

Cookies a troop donates in this manner are considered community donations and do not count towards the Cookie Share patch.

Troop cannot accept monetary donations that are not allocated towards Cookie Share donations. Review your cookie guide for more information.
