Lights, camera, earn a patch! Remind girls to upload a video to their M2 account to earn the Visualize Patch. It's a fun and easy way to get involved while building confidence and practicing online marketing skills!

Proceeds

Participating troops earn 15% in troop proceeds, and Girl Scouts can earn reward items. Troops made up only of Cadettes, Seniors, and Ambassadors may choose the Older Girl Proceeds Plan instead. If everyone in the troop agrees to opt out of reward items, the troop can earn 20% in troop proceeds. Girls can still earn patches even if their troop chooses this option. Qualifying troops that choose the Older Girl Proceeds Plan must select this option in M2 by **Sunday, October 18.**

Participation Options

More ways to order = more ways for girls to reach their goals! Girls and customers have girl delivery, in-person, and direct ship ordering options. Girl delivery is our recommended option for local customers. Girl delivery product selections are limited to the same items available on the order card, but customers pay online with no shipping charges. Girls receive their products in November for delivery, which helps them maintain a personal touch. Find more tips and information in the [Service Unit Guide](#).

New Products

There's even more to get excited about this year! We're introducing a brand-new line of coconut soy candles, available in 12 fragrances. Can't choose just one? Supporters can also choose from three Discovery Sets, which make great gifts!

We're also adding three delicious new items to our lineup: Sweet Onion Snack Mix, Cranberry Trail*, and Maple Flavored Mixed Nuts*.

And don't forget about our BarkBox bundles! This year's lineup includes three returning favorites and one brand-new BarkBox for our four-legged friends.
