Products and Reward Distribution

Troops should communicate with their service unit fall product manager for product and reward distribution information. Delivery dates and times will vary based on each service unit. Check out our [Distribution Tips](#) to help you prepare for distribution. If your service unit is using the built-in troop scheduler, you will be able to [Choose Pick-up Time](#) in the M2 system.

Rewards and Experiences

100 girls who reached the Super Seller level this 2026 Fall Product Program! Girls used all 5 of the skills learned from participating to reach this milestone.

Troop Participation Incentive

All 14 troops that won the cookie cart raffle will be contacted with instructions by October 23, with instructions to pick up from the GSHCC Sacramento or Modesto Regional Center. We added this troop participation reward to further the great way for troops to start their year in the fall and prepare for the cookie program.

Care to Share

Our Girl Scouts have really shown they love to give back to their communities, and their participation in the Fall Product Program is no different. Girls received over 1,600 donations for Care to Share. GSHCC will be donating all items to local food banks.

Financials

ACH will be processed on October 22. Troops who have returned payments have been notified via email and will be unable to pick up products and rewards until payment has been resolved.
