

Successful troops start with gsLearn!

Successful Girl Scout troops all have knowledgeable leaders at the helm. Build your knowledge of Girl Scout traditions, program, and policies with Girl Scouts Heart of Central California's training content library on gsLearn!

gsLearn gives you access to all of Girl Scouts Heart of Central California's self-guided trainings as well as the ability to register for instructor-led courses.

If you would like to start exploring, logging onto your gsLearn is a simple, four-step process.

Can't finish a training in a single sitting? gsLearn will save your progress if you need to finish it at a later time. Once you do complete a training, gsLearn will record your completion as an achievement that you can view on your learner dashboard under Recent Achievements.
