Successful troops start with gsLearn!

Successful Girl Scout troops all have knowledgeable leaders at the helm. Build your knowledge of Girl Scout traditions, program, and policies with Girl Scouts Heart of Central California's training content library on gsLearn!

gsLearn gives you access to all of Girl Scouts Heart of Central California's self-guided trainings as well as the ability to register for instructor-led courses.

If you would like to start exploring, logging onto your gsLearn is a simple, four-step process.

Can't finish a training in a single sitting? gsLearn will save your progress if you need to finish it at a later time. Once you do complete a training, gsLearn will record your completion as an achievement that you can view on your learner dashboard under Recent Achievements.

Having trouble accessing gsLearn?
Please contact our Customer Care team at customercare@girlscoutshcc.org or 800.322.4475.

Visit www.girlscoutshcc.org and click on the gold MyGS button.

Login to your MyGS using the email and password you created when you completed your Girl Scout membership registration.

Click the gsLearn button from the left-hand toolbar.

Once you are logged into gsLearn, navigate to your learner dashboard, and click on the **GSUSA Silver Award Overview (Course 1), GSUSA Silver Award Requirements: A Closer Look (Course 2), and GSUSA Silver Quest: Complete the Steps for Earning Your Silver Award (Course 3)** image to start courses.
