

Shine from the Inside Out

We're thrilled to introduce our new Body Appreciation badge line for every grade level, from Daisies to Ambassadors! Whether they're wiggling, dancing, laughing, or learning to set healthy boundaries, these fun, age-appropriate activities help girls celebrate what their bodies can do and embrace who they are—inside and out. Through these experiences, girls will build lifelong habits that support emotional and physical well-being, while also developing confidence, self-respect, and a culture of kindness.

This new badge line empowers girls to honor themselves and others, encouraging them to grow into thoughtful, strong, and resilient leaders. *Made possible by Flamingo.*
