

The 2026 Camp Brochure is here—and it’s full of exciting ways for your Girl Scout to get outside, try something new, and make lasting memories. From day hikes and outdoor skills challenges to overnight adventures and partner camp experiences, this year’s programs offer something for every age and comfort level.

As you [explore the brochure](#), you’ll find new volunteer-led opportunities, trusted partner camps, and a wide range of outdoor programs designed to help girls build confidence, independence, and friendships.

New for 2026, we’re excited to introduce:

- Outdoor Skills Training: Hands-on opportunities that build confidence, leadership, and practical outdoor know-how.
- Council Property Rentals: Including Camp Menzies, now available for troop and family reservations! Plan a visit and enjoy a selection of staff-led activities during your stay.

Important Dates:

- Spring Registration starts Tuesday, February 10 at 8:00 am
- Summer Registration starts Saturday, March 7 at 8:00 am

This year, we’re taking a thoughtful pause on traditional sleepaway camps at Camp Menzies as we focus on designing a more sustainable model for the future. We know these experiences are meaningful to many families, and this work is centered on ensuring camp remains a high-quality, long-lasting experience for years to come.

At the same time, our commitment to outdoor programming is stronger than ever. This season brings fresh opportunities to get outside, try new activities, build outdoor skills, and create unforgettable memories across our council properties and trusted partner camp locations.

When you’re ready, take a moment to explore the brochure and find the adventures that feel like the perfect fit for your Girl Scout. We can’t wait to adventure with your Girl Scout this year!

Spring Break Coastal Expedition Camp

Whales, Waves & Wilderness in Big Sur

Spend Spring Break (March 30–April 2) exploring the stunning Big Sur coast—ocean air, whale watching, and coastal discovery included! This multi-day expedition blends hands-on learning about marine ecosystems with road-trip vibes, group cooking, and choosing your own activities along the way. Designed for Girl Scouts in grades 6–12, it’s an unforgettable Spring Break adventure that builds independence and creates lifelong memories.
