

Celebrate the Voices of Girls Across California for an Afternoon of Leadership, Advocacy, Sisterhood, and Connection

Join Girl Scouts from across California at the State Capitol for the launch of the 2026 State of the Girl Report, a new statewide report highlighting the experiences, challenges, and opportunities facing girls today.

Hear from Girl Scouts, community leaders, and advocates as they share key findings from the report and discuss how we can work together to support girls' well-being, leadership, and future success. Following the report launch, girls will have the opportunity to participate in a hands-on activity hosted by the California Commission on the Status of Women and Girls.

Bring your Girl Scout or troop to connect with Girl Scouts from across the state, learn about issues impacting girls today, and celebrate the leadership, achievements, and impact girls are making in their communities and beyond.
